Construction

City Construction Projects Update

Reconstruction of Woodbriar Way, Woodbriar Circle, and Mariwood Circle – These streets are having secondary water services installed and all asphalt replaced. They remain open to traffic, but please be aware of workers and equipment along Woodbriar Way. Paving of new asphalt will require phased closures of the streets, and affected residents will be notified in

advance of any closure. **Foxboro Park** – The new City Park at the corner of Elizabeth Dr. and Norfolk Dr. in Foxboro is in its final phase of construction and will be completed by the end of August. **North Towne Lane** – This road was recently transferred to the City from private ownership and is in need of resurfacing. The failing asphalt will be stripped and

replaced beginning in late August. The road will likely be closed to traffic for one week in September.

400 East Waterline – A new waterline will be installed along 400 East from approximately 900 N. to 1050 N. The roadway will remain open to traffic and local water service should be minimally impacted. Residents and business owners affected will be notified in advance of any disruption of water service.

2015 Elections

Vote-by-Mail in 2015

The North Salt Lake 2015 municipal election in November will be conducted by mail **ONLY**. **What do you need to do?** Make sure your voter registration is up to date. Verify this by visiting www.Vote.Utah.gov or by calling the Davis County Clerk/Auditor at 801-451-3217. Ballots will be mailed

to voters 28 days prior to the election with an envelope to return your ballot by mail. Drop boxes will be available at the city offices during regular business hours until the Friday prior to Election Day. Feel free to visit www.DavisVotes.com or call the county office at 801-451-3217. Our city will be voting on three city council

positions. Candidates are: Tayler Clough, Robert Drinkall, James Hood, Brian Horrocks, Lew Jeppson and Stan Porter. These are non-partisan, at-large positions. More information on these candidates will be forthcoming and will be available on the State of Utah electronic voter information website at www.vote.utah.gov.

Chief Black's Corner

From the Police Department

The police department hosted the annual NSL **"Night Out Against Crime"** at Foxboro Legacy Park on August 12. There was a great turnout and support from our community, and residents from neighboring cities. This event continues to grow and offer a wonderful opportunity for residents and police to get to know each other, discuss events and concerns in the various neighborhoods of our city, and share important information about how to maintain the positive, high quality of life we enjoy in North Salt Lake. Ideas about strategies to reduce and hopefully prevent crime in our neighborhoods were discussed among Neighborhood Watch participants and police at the "Night Out" event. The police department wants to especially thank our partners in helping

this event be better every year. Winegar's Market continued their support by donating hot dogs, chips, and drinks for a great dinner. Resident Mike Taylor brought his helicopter for display, "Sammy the Clown" wowed the young ones again this year with his balloon animals, the leaders of Foxboro Neighborhood Watch helped spread the word and signed up many new participants. Thanks again to all who helped and continue to help make North Salt Lake a great place to live. We know that despite great friends and neighbors and a police department committed to working in partnership with residents, some crime concerns continue to be prevalent and even increase. Home burglaries, for example, continue to be a plague in our city. A great number of these burglaries are simply the act of a thief entering

an open garage and stealing whatever they can in a matter of seconds. Simply keeping our garage doors closed could greatly reduce these crimes.

Just a reminder that school begins in just a few days. Please be aware of your speed and attention to driving as you commute through our neighborhoods and especially school zones. Thanks to our wonderful crossing guards who are out there every school day, rain or shine (or snow or sleet) for their commitment to keeping our children safe. Tell them thanks! As a police department, we thank our residents for the opportunity to serve in such a great community. We realize that any substantial success we realize in our public safety efforts are in large part because of such great and supportive residents.

Public Works Notes

No Refrigerant/Freon Units in Garbage Please

Dear Residents, Please do not put refrigerant/Freon units in your garbage receptacles. These items will NOT be

accepted at the burn plant and landfill. You may call Wasatch Integrated Waste Management District at 801-614-5600 for

information on how to correctly dispose of these items, or Rapid Recovery at 801-364-6600 for more information.

Public Comment Sought for Five Points PCE Plume Superfund Site

The EPA and Utah Dept of Environmental Quality seek public comment on the proposed cleanup plan for the Five Points PCE Plume Site located in Woods Cross and Bountiful. This proposed plan

summarizes cleanup alternatives that were evaluated and presents the Preferred Alternative for addressing the tetrachloroethene (PCE) contamination in groundwater associated with a dry cleaning operation in Davis

County. Public meetings will be held Aug. 19 in Woods Cross and Aug. 20 at NSL City Hall from 6:30 – 8 pm.

Reminders about Dogs

We would ask all residents to please adhere to the city's policy on dogs in parks. Dogs are NOT allowed at all in

Legacy Park. **Dog waste anywhere near the splash pad necessitates shutting it down.** Dogs must be on a leash in all

other parks. Please remind your friends and neighbors, and also clean up after your pets. Thanks!

Other Notes of Interest

Senior Lunch Bunch

Seniors! Help us celebrate the approach of Autumn by joining us at City Hall on Wednesday, September 9 at 11:00 am for Senior Lunch

Bunch. We'll enjoy a catered lunch together, listen to a presentation by Jessica Hardcastle from Davis County

Health on preventing falls, and then play Bingo. Bring a gift of nominal value for prizes. Bring a friend. Let's have fun together!

Seeking Help for NSL History Project

We have an NSL history project that needs some help. We have photographs and stories but need help organizing them for a web presentation and book.

And of course, there are always more stories and pictures to be found! If you are interested in history, research, writing, or just helping, please contact

Councilmember Stan Porter at 801-573-8596 or stan@stanporter.com.

Now Accepting Applications for Youth City Council

Now is the time to sign up to be part of our fun Youth City Council! Youth in grades 9 through 12 (this fall) are invited to apply. Each year, our youth council sponsors events in the city such as the Easter egg hunt,

Movies in the Park, and attends the Elected officials Day at the Legislature, participates in the USU Youth Leadership Institute and has a lot of fun! The YCC meets each Tuesday at 5:00 pm at City Hall. Interested students

can find an application online at www.nslcity.org, or apply in person at City Hall, or contact Council Member Conrad Jacobson at 801-859-5670, conradj@nslcity.org for more information.
