July 20, 2016

To Whom It May Concern,

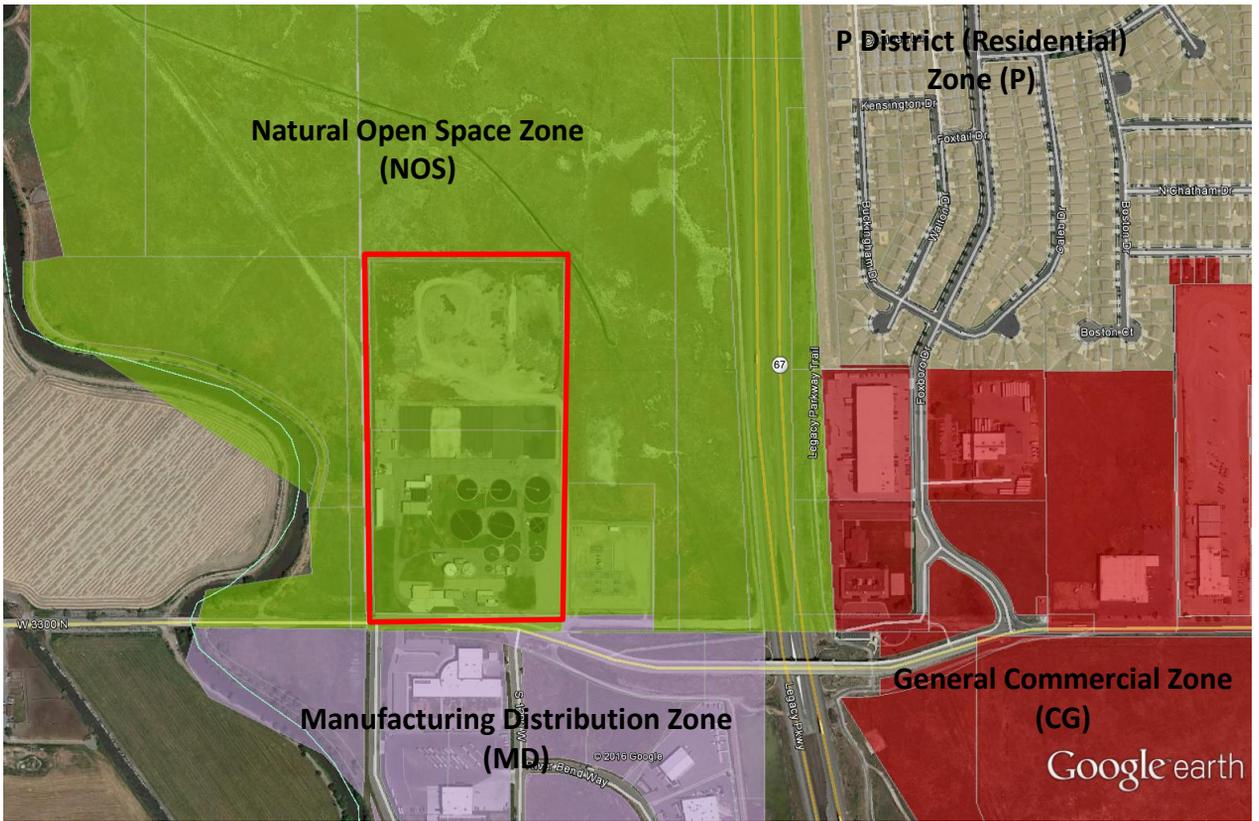

Please be advised of a proposed amendment to the City's zoning map. The proposal is for the re-zoning of property located at approximately 1370 West Center Street (see attached location map). The applicant, South Davis Sewer District, is proposing to re-zone the property from Natural Open Space (NOS) to General Industrial (MG) to develop a waste remediation facility for the purpose of recycling food waste into fertilizer and methane gas.

A Planning Commission public hearing will be held to discuss the proposed rezoning. The hearing will be **August 9, 2016** in the Council Chambers, North Salt Lake City Hall, 10 E. Center Street. The hearing will begin at 6:30 p.m., or as soon thereafter as possible. All interested people are invited to attend and make comment. For further information, please contact the North Salt Lake City Community Development Department at (801) 335-8700.

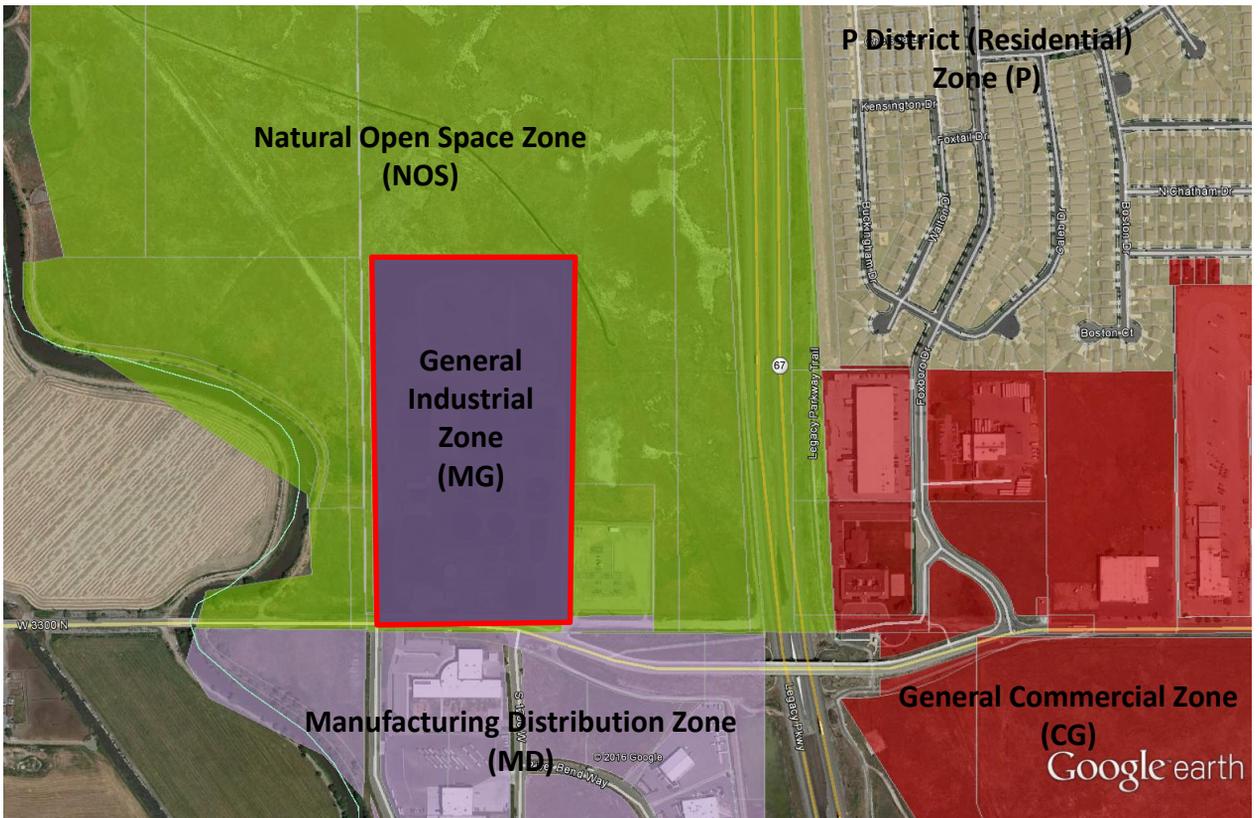

Respectfully,
