

North Salt Lake STAR

Center Street Construction Update

As you are now aware, Center Street traffic in front of Hatch Park has been shifted to the north and all vehicles are now driving on the parking lot areas. Please drive slowly through this area. There are still a few parking stalls just east of

the tennis courts including two ADA handicap stalls, however the main parking lot for Hatch Park is now at 103 North Main Street. On August 8, Rocky Mountain Power will start converting the overhead power to underground. This will also include the

removal of the power poles on the north side of the street. Once again, we appreciate your patience during this project. Please drive carefully and be aware of other vehicles, pedestrians and construction workers.

NSL Night Out Against Crime

National Night Out Against Crime is a national program designed to build community spirit and police-community relationships in our fight to build a stronger community. The event is free and will be open to

all. This year will feature a hot dog dinner, bike rodeo, child fingerprinting and a number of other fun activities. We will also have information regarding neighborhood watch, code enforcement and crossing guards at

our schools for those who are interested. Please save the date and plan to join us for a fun evening with the NSL Police Department (the best in South Davis County) and others.
