- **May 1:** Register for Summer Recreation at www.xpressrec.com
- **May 3:** Kite Demo; Tunnel Springs Park 12pm
- **June 21:** Three Kings Bike Race
- **June 28:** Annual 5K
- **July 2:** Festival of Speed
- **July 3:** Independence Day Fireworks and Festivities

Second Sunday Concerts Present Violinist Andrea Hughes

Join us April 13 at 6:00 pm at the Eaglewood clubhouse and enjoy an evening listening to violinist Andrea

Hughes, a recent graduate of the Cleveland Institute of Music. Andrea was raised in our city, and we are proud

that she calls North Salt Lake home! The concert will be held at Eaglewood Clubhouse at 6:00 p.m. April 13th.

Seniors Lunch Bunch

Join us for Seniors Lunch Bunch at City Hall at 11:00 AM, Wed. April 9. We'll have a catered lunch, discussion about what's happening in the City, led by

City Engineer, Paul Ottoson. (We're coming up on a busy season of road maintenance as the weather improves.) Then we'll play a little Bingo.

Remember to bring a gift or white elephant of nominal value as a Bingo prize. We'll keep the April showers away just a little bit better with you there with us!

Water Rate Notice

In order to continue providing exceptional water service to our residents (and as noted in your March utility bill), there will be a minimal 3% increase in the city's culinary water

base rate beginning April 1, 2014. Slight increases are necessary to meet the operations, construction, repair and maintenance expenses of the city's water

system. If you would like more information, please call the city at 801-335-8700, or see the fee schedule available at www.nslcity.org.

Seasonal NSL Recreation Jobs

North Salt Lake Recreation is now hiring seasonal part time help for the months of June and July. Wages range from \$8-\$9.00/hour. We need outgoing individuals who have a love for sports and/or

crafts and enjoy working with children ages 3-12 years of age. Pick up an application at the City Hall front desk. Applications must be mailed or hand delivered to 10 East Center Street, North Salt Lake

City, Utah, 84054, Attn: Recreation. **Seasonal positions are also available for Golf and Parks departments.** Applications available at www.nslcity.org under Community and Employment Opportunities.

Community Open House

Join UTA representatives at an open house as they continue discussion about the Davis-SLC Community

Connector transit study. They've developed a short list of potential alignments and transportation modes

based on public feedback. We want your input Tuesday Apr. 1, 4:30-6:30 pm at City Hall.

2014 Spring Cleanup Dates

The 2014 spring cleanup has been scheduled for April 25, 26 and 27. Bins will be placed at the following locations:

- Hatch Park, 50 W. Center St.
- Foxhollow Park, 655 N. Foxhollow Dr.
- Eaglewood Golf Course, 1110 E. Eaglewood Dr.

As a reminder, please use separate dumpsters for green waste and regular waste.

Second Saturday Extra Garbage Pickup

NSL offers an **extra garbage pick up** the second Saturday of each month, May through September. All items must fit in your can and should be in

BAGS to avoid windy day messes. No toxic, hazardous materials, or tires or batteries allowed. Place

your can on the curb the night before. This service is included in your monthly garbage rate.

Easter Egg Hunt and NSL Kite Festival!

Our Youth City Council is busy filling eggs for the annual **Easter Egg Hunt to be held April 19th at 10:00 am** at Hatch Park! Be sure to stick around that day as we kick off the 2nd annual **North Salt Lake Kite Festival: April**

19-May 3. During these dates we will be looking for children flying kites in North Salt Lake. Kids caught flying kites may be given a treat along with gift certificates from supporting NSL businesses. The festival will culminate May 3rd with a

kite demo at Tunnel Springs park! To help kick off the kite flying excitement, we will be giving away **over 500 kites** at the Easter Egg Hunt March 19th.

Free Workshops by Davis County Health Dept.

Did you know Davis County presents many different workshops free for residents in our community? April 1st at 6:30 p.m. and June 11th at Centerville Library, they will present everything you need to know

about Medicare. Another program, entitled *Stepping On* is a program, beginning April 4th, proven to reduce falls and build confidence in older people. An upcoming 6-week workshop learning how to

"Live Well with Chronic Conditions" will teach real-life skills for living a full healthy life. **Call Jessica at 801-525-5087 for more information** about any of these, or to volunteer for the Senior Medicare Patrol.

Golf Course Info and Junior Golf Lessons

Eaglewood Golf Course is now open and is in great shape! Junior Golf Lessons will be taught on the following

days: 1st session: June 9-12, and the 2nd session is June 16-19. Sign up in person at the golf course: 1110 East

Eaglewood Drive. Cost is \$60 per session. Please call 801-299-0088 for tee-times and more information.

April Public Meetings

City Council:	Apr. 1 and 15 (7 pm)
Planning Commission:	Apr. 8 and 22 (6:30 pm)
Youth City Council:	Apr. 1 and 15 (5 pm)
Uniting Neighbors:	Apr. 9 (7:30 pm)

Bountiful High School Presents "Fools for Jazz"

BHS Jazz Band will hold their annual "Fools for Jazz" show Friday, April 25th, at the Bountiful High School Old Gym at 6:30 pm. Tickets are \$4 in advance, or \$5 per

person at the door, or \$20 per family. "Fools for Jazz" is an evening of swing dancing to the tunes of the Big Band Era. Dancing, concessions and a silent auction will be available

throughout the night. Proceeds will fund new instruments and lockable instrument storage units for the Bountiful High School Band program.

Davis County Symphony Spring Concert

New and exciting classical music will be performed by the Davis County Symphony during their Spring Concert **Saturday, April 26th at 7:00 pm. at Layton High School.**

Come and hear the Utah Premier of Te Deum by Dan Forrest with the Davis Master Chorale. The Symphony will also play the thrilling Bacchanale from Saint-Saen's

Samson and Delilah, the famous Chanson de Toreador from Bizet's Carmen, and a Khachaturian Waltz. Please bring a \$5 donation for local families with autistic children.

Secondary Water to be Connected April 15

Residents and businesses with secondary water connections can access the water April 15th. As a reminder, please be conservative with water use, both secondary and culinary, as the city's water system struggles to keep up with demand during the summer months. Look at ways to cut

down on the amount of water you use. Take time to set up your sprinkler timer to water appropriately for the season to eliminate wasted water and provide adequate water for a healthy landscape. A once-per month adjustment will eliminate wasted water and maximize plant health. **Visit**

the Learning Garden in Layton (Weber Basin Water Conservancy District) for landscape ideas and watering plans for your type of irrigation. Did you know you can call for a **FREE** water check?: 801-771-1677; www.weberbasin.com/conservation.

➤ There is a community calendar on the City's web site that shows happenings in the community? You can also sign up for email notifications.

Construction Update

- I-15 Interchange @ 2600 South:** UDOT has hired a design build team to reconstruct the I-15 overpass at 2600 South this spring. The first phase will include removing the existing bridge and replacing it. This will not impact traffic along 1100 North /2600 South during daytime hours; however, there will be occasional closures for east-west traffic along 2600 South during nighttime hours. There will be detour signs posted for the route to 1500 South in Woods Cross.
- I-15 HOV Lanes:** This spring UDOT will be widening I-15 from the I-215 interchange in NSL to Farmington in both north and south directions. The lane widths along I-15 in these areas will be narrowed during the project, and there could be some lane closures during nighttime hours. Alternate routes will be US-89 and Legacy Parkway.
- Deer Hollow Reservoir:** Beautification of the project site is in progress. The fence is installed, and additional landscaping and improvements are planned for 2014.
- 1100 N. Reconstruction:** 1100 North from Redwood Rd. to the UPRR/UTA tracks at 80 East will be reconstructed this summer. Design is almost complete, with the five-month project expected to begin in May. During this time, access will be limited to local traffic only. Therefore, we encourage all non-resident motorists to avoid that area. Detours for east-west traffic will be Center Street or 1500 South in Woods Cross.
- Springhill Landslide Area:** The final phase of the project, stabilization of the site, is almost complete. Work includes installation of an open channel to collect spring water to limit further erosion of the hillside, along with placement of boulders and native plant seeds for long-term stabilization.
- Street Asphalt Preservation:** Several streets in the City will receive asphalt preservation surface treatments, commonly known as slurry seals, beginning in April or May of 2014. Affected residents will be notified well in advance so as to be minimally inconvenienced by street closures (usually lasting two days). Once completed, the treatments should smooth out roadway travel and add years of life to the streets, thereby delaying more expensive reconstructions.
- Street Reconstructions:** Several streets are past the point of surface treatment and now require more extensive reconstructions. Again, affected residents will be notified in advance so as to be minimally inconvenienced by street closures. The roads scheduled for reconstruction, as well as the contractor awarded the job, are listed below:
 - **Center St.** (between Hwy. 89 and Orchard Dr.) - Staker & Parson Companies.
 - **Elk Hollow Rd.** (from Cove Cir. to NSL City boundary) and Cove Cir. - Hughes General Contractors.
 - **Lofty Ln.** (Eagleridge Dr. to 555 S. Lofty Ln.), Hidden Ln. and Hidden Cir. – Staker & Parson
