Construction

1100 N. Construction Update

1100 North is now asphalted; however, the project is still a construction zone, so continue to drive with caution. The contractor will be installing landscaping, street striping, private driveways, concrete collars around manholes, etc. The work at the 100 West tracks is to be completed by

Union Pacific Railroad and they have not informed us of when this will be done. Until then, please watch for construction equipment.

I-15 Reconstruction

Lane splits are coming in November. Two lanes will be shifted to the outside of the interstate creating a work zone in the center. The first phase will split lanes between 400 N. and 1500 S. in early Nov. through Jan. Lanes near

2600 South will split in Dec. through Early March. <http://www.udot.utah.gov/i15southdavis/project-information/>

Need to Know...

Extra Garbage Pickup November 15

The city has arranged for one more extra garbage pickup in November. It will be the THIRD Saturday, November 15. Place cans at curb Friday night, as pickup times will vary Saturday morning. Beginning in 2015, our 2nd Saturday pickup

will be extended to include May through November.

Winter Parking Goes Into Effect November 1

Beginning Nov. 1, there is no overnight on-street parking allowed between the hours of 11:00 pm and 6:00 am. Parking is also restricted during any period that snowplows are actively operating. (This would be when snowfall is accumulating on the roadway.) These regulations are in place to enable the efficient and safe removal of snow and ice from public streets. Violation of this ordinance is a Class C misdemeanor and may result in a citation and the impoundment

of vehicles. The police and public works departments are requesting residents' voluntary compliance with this ordinance in order to avoid citations and towing incidents. These restrictions are in place until April 1.

NSL Live

Second Sunday Concert: Thanksgiving Sing-In

This city is hosting its fourth annual Thanksgiving Interfaith Hymn Festival, Sunday, November 9 at 6 pm. This free event provides an opportunity for members of all faiths to sing together the beloved hymns of the Thanksgiving season. Hymn texts will be provided. The Hymn Festival will be held at the Chapel at 261 E. Center, NSL. Community members and church choirs are all invited to participate. Choirs from the North Salt Lake Bible Church and the LDS North Salt Lake Parkway Stake will be

performing. Audience members will also sing together well known hymns such as "Come, Thou Fount of Every Blessing" and "Now Thank We All Our God." Hymns representing many faiths will be represented in the evening repertoire.

VITA Volunteers Needed

Did you know you could make it possible for low income families to send a family member to college or start a business? YOU CAN! The Volunteer Income Tax Assistance (VITA) program is looking for volunteers to prepare and electronically file federal and

state tax returns for low-to-moderate income households in 2015. Last year, VITA operated 12 locations in Davis and Morgan Counties, including a site in North Salt Lake, and filed returns claiming \$2.1 million in refunds, all at no charge to taxpayers. No prior experience is required. Training is available in either

December or January. To learn more or to reserve your spot on our team, please visit UtahTaxHelp.org or contact Sarah Flick, Regional Coordinator, at sarahflick@bountifulfoodpantry.org or 801-493-5529.
