

Minutes of City of NSL Parks and Trails Advisory Board- August 9, 2012

1. Trails

Approve upper wild rose park loop trail pending design review by Troy Duffin

Deny wild rose lower loop trail

Approve both Bike flow trails one with no jumps and one with jumps

Further study for costs on loop drive connector trail next to turf care center but prefer the

Connector to trail system at the end of Wood Briar Way on Forest Service property

2. Tunnel Springs Park

Recommend Green and Yellow playground equipment at tunnel springs park

Recommend a blend of playground equipment to cater to older and younger kids

Recommend a climbing design for the older children

3. Canoe Take out

Approval of current proposed location

Approval of seeking land to possible expand it

4. Eaglewood Village Fisher

Approval of concept of fishery

Further study of State Involvement/depth/ stocking etc

5. Foxboro Wetlands

Approved the plan to hire a company to investigate the range of options for open space in Foxboro

6. Update by Dan Cottam

Davis County has approved money for the pre NEPA study and the EIS for placement of the Bonneville Shoreline Trial. This would connect to all points in NSL designated for trail heads or existing trailheads.
