## Eaglewood Golf Course is Open

Feed your Spring Fever on one of Utah's best golf courses! The city's Eaglewood Golf Course is now open and is in great

shape! (Note: some early spring closures may be required due to weather.) Please call 801-299-0088 for tee-times and more

information. Be sure to think of Eaglewood for your next golf tournament, or the beautiful Eaglewood reception center for receptions and other events.

## Second Sunday Concerts Presents "The Splendor of 1000 Strings"

The Splendor of 1000 Strings – the Julie Keyes Harp Ensemble will be performing March 9 at 6:00 pm. Julie is a professional harpist and

educator who performs with the Orchestra on Temple Square. This is a rare treat to see an all-harp ensemble, many of whom are nationally

renowned. Classical, pop, and jazz music will be featured at this free concert for the whole family.

## Seniors Lunch Bunch

Seniors! Come join us for our monthly Seniors Lunch Bunch on Wednesday, March 12<sup>th</sup>, 11:00 am. We'll have a great pot-luck brunch – bring your

favorite dish to share. We'll listen to the joyous tones of Jim Jensen's accordion and then play a little Bingo! (Don't forget to bring a white

elephant, or gift of nominal value, for our Bingo prizes! It will be more fun if you're there with us!

## City and DWR Working on Domestic Deer Population

The city is working with the Division of Wildlife Resources (DWR) to address the deer problem in our city. If you have excessive deer on your

property and are willing to provide access and permission for the DWR to enter your yard, please email [lindah@nslcity.org](mailto:lindah@nslcity.org).

As a reminder, intentionally feeding deer, moose, elk or wild turkeys is prohibited. Please spread the word. Thank you.

## American Red Cross "Battle of the Badges"

*"Helping save lives, on and off the job".* The North Salt Lake Police Department is hosting a blood drive Wednesday,

March 12 from 10 am – 3 pm at City Hall. To schedule your appointment, contact Troy Johnson at 801-335-8650. Identification

is required to donate. If you have eligibility questions, please call 1-866-236-3276. [Redcrossblood.org](http://Redcrossblood.org).

## Seasonal Jobs

The city is accepting applications for seasonal employment. The golf course, Parks Department,

and Recreation Department are all seeking help for the 2014 season. Applications and more information are

available on our website at [www.nslcity.org](http://www.nslcity.org) under Community and Employment Opportunities.

## Construction Update

- I-15 Interchange @ 2600 South:** UDOT has hired a design build team to reconstruct the I-15 overpass at 2600 South this spring. The first phase will include removing the existing bridge and replacing it. This will not impact traffic along 1100 North /2600 South during daytime hours; however, there will be occasional closures for east-west traffic along 2600 South during nighttime hours. There will be detour signs posted for the route to 1500 South in Woods Cross.
- I-15 HOV Lanes:** This spring UDOT will be widening I-15 from the I-215 interchange in NSL to Farmington in both north and south directions. The lane widths along I-15 in these areas will be narrowed during the project, and there could be some lane closures during nighttime hours. Alternate routes will be US-89 and Legacy Parkway.
- 1100 N. Reconstruction:** 1100 North from Redwood Rd. to the UPRR/UTA tracks at 80 East will be reconstructed this summer. Design is almost complete, with the five-month project expected to begin in May. During this time, the street will be closed to local traffic only. Therefore, we encourage all non-resident motorists to avoid that area. Detours for east-west traffic will be Center Street or 1500 South in Woods Cross.
- Springhill Landslide Area:** The final stabilization phase is more than halfway complete. Work includes installation of an open channel to collect spring water to limit further erosion of the hillside, along with placement of boulders and native plant seeds for long-term stabilization.
- Street Asphalt Preservation:** Beginning in April or May of 2014, many city streets will receive slurry seals. Residents will be notified in advance of street closures (usually lasting two days). For scheduled streets, please refer to the February *Star* newsletter, also found on the website.
- Deer Hollow Reservoir:** Beautification of the project site is in progress. The fence is installed, and additional landscaping and improvements are planned for 2014.
- Street Reconstructions:** Several streets are past the point of surface treatment and now require more extensive reconstructions. Roads scheduled for reconstruction beginning in April or May of 2014 are: Center St. (between Hwy. 89 and Orchard Dr.), Elk Hollow Rd. (from Cove Cir. to NSL City boundary), Cove Cir., Lofty Ln. (Eagleridge Dr. to 555 S. Lofty Ln.), and Hidden Ln. and Hidden Cir.
